

# National Institute of Whole Health

**The National Institute of Whole Health is committed to providing certified graduates outstanding opportunities to fulfill their Whole Health career and their job goals. Our dual and multi-certification opportunities will enhance the services and skills you can provide for your Whole Health patients and clients!**

## **DUAL or MULTI-DISCIPLINE CERTIFICATION**

***Whole Health Education  
Nutrition Education  
Whole Health Coaching***

**NIWH now offers** our students and graduates a unique opportunity to become multi-certified. An NIWH graduate who successfully completes a whole health curriculum may register to dual or multi-certify in another subject area by completing the additional courses and case study work required to become certified in that subject area. **All NIWH programs are available for multi-certification.** Choose from either the *Whole Health Education, Nutrition Education, and Whole Health Coaching* certification programs to cross-certify. For more details, time frame and cost, contact NIWH at **888-354-HEAL (4325)**.
